To Whom It May Concern:

It is with great pleasure that I offer this recommendation for Sara Kumar. I have known her family since before she was born. Indeed, since I have known them, Sara represents very well the third generation of a long line of strong, faithful servants of God.

I am so pleased to observe that Sara has developed into a sincere, devout, and well balanced Christian who moves gracefully with love among all types. Sara's confidence, self-motivation, and self-discipline, all stem from her daily, active spiritual life, which ensures the academic successes she continues to enjoy. I know Sara will be a real asset to any organization she joins in the future.

Respectfully submitted,

Rev. Anselm Walker,
Director
